

2013 Keefer Ranch Pinot Noir Russian River Valley

Our 2013 Keefer Ranch Pinot Noir represents our return to this exceptional site located in the Green Valley area of Sebastopol, California.

We sourced this wine from an older block of Swan clone planted in the late 1980's. With a gentle slope and Goldridge sandy loam soil, this block benefits perfectly from the chilly mornings and evenings.

This wonderfully textured and layered Pinot Noir shows the classic cranberry, cherry and spice flavors of Keefer Ranch and is supported with a backbone of natural acidity. Slowly fermented to dryness in a cold barrel room, this wine was aged for 10 months in 40% new French oak (Rousseau) and bottled unfiltered and unfiltered. This balanced wine should age gracefully for many years. Best from late 2015-2022.

100% Pinot Noir
Harvested by hand on 9/5/13 at 24.1 Brix

40% New French Oak: 10 Mo.
